

TFM21 Product Datasheet

Type: Micro Flush Light
 Material: Plaster
 Earth Class: CE Class5
 IP Rating: IP24
 Bathroom Zone: Zone 7
 Paintable: Yes
 F Mark: No

As part of our Micro range, the TFM21 is a trimless plaster downlight with an extremely compact form factor. The fitting includes an LED lamp measuring just 35mm in diameter. The shallow 14mm recess depth prevents glare from the lamp and provides the most minimal possible footprint whilst delivering a light output close to that of a full size fitting. Perfect for small spaces and minimal visual intrusion. See the rest of our Micro range for matching options.
