

TFM22 Product Datasheet

Type: Micro Flush Light
 Material: Plaster
 Earth Class: CE Class6
 IP Rating: IP25
 Bathroom Zone: Zone 8
 Paintable: Yes
 F Mark: No

As part of our Micro range, the TFM22 is a trimless plaster downlight with an extremely compact form factor. The fitting includes 2 LED lamps measuring just 35mm in diameter. The shallow 14mm recess depth prevents glare from the lamp and provides the most minimal possible footprint whilst delivering a light output close to that of a full size fitting. Perfect for small spaces and minimal visual intrusion. See the rest of our Micro range for matching options.
