

TL-1000 Product Datasheet

Type: Flush Profile
Material: Plaster
Dimensions: H:50mm W:1000 D:150
Earth Class: CE Class 1
IP Rating: IP20
Bathroom Zone: Zone 3
Paintable: Yes
F Mark: No

The TL-1000 provides indirect continuous section profile lighting which gives a much softer and more diffused light distribution when compared to standard direct lighting strips. The desired shapes are achieved by cutting, joining and mitring the stock lengths to required size. Optional left and right plaster end caps are available for crisp end termination. The light source is LED strip which can be cut, joined and bent to the exact shape and length. A small LED driver will need to be housed external...
